

## **A New Business Loan without Collateral from VICTORIABANK**

VICTORIABANK launches a new product on the banking market - Per Active loan.

A credit without collateral for all legal entities and individuals who are carrying out business activities and need financial sources to accomplish their professional projects or wish to extend the business in the shortest time as it is possible.

The maximum loan amount is up to 75 000 lei, and the maximum term – up to 12 months.

Furthermore, it is the only offer of such kind in Moldova! Upon obtaining Per Activ Credit VICTORIABANK refunds 10% of aggregated amount of paid interest if at least 90% of payments are operated through Victoriabank accounts.

### **The advantages of Per Active Credit:**

- No security needed;
- Saving time;
- An amount up to 75 000 lei;
- The refund of 10% of the aggregated amount of paid interest if debtor operates during the term of the contract at least 90% of payments through Victoriabank accounts;
- Maximum term – up to 12 months.

VICTORIABANK is one of the most successful banks in the Republic of Moldova. That is shown by the following: only in the year 2007 legal entities were granted loans in the amount of 3 billion 708 lei, and individuals in the amount of 500 million lei. Today the bank offers more credit products for legal entities among which the most requested are the Magic loan and the Magic Credit Card.
