

**VICTORIABANK celebrated the 1<sup>st</sup> of June along with children of the boarding school from Soloneț**

Any parent treats his child with special attention, creates conditions and offers opportunities for his offspring to grow in an environment where he is always treated with attention and where he is stimulated to become someone.

Much fewer possibilities have the children deprived of the parental love, those who grow up in orphanages enjoying only the attitude of teachers and too little attention from the society.

With the occasion of the International Children Day VICTORIABANK organizes within three of its subsidiaries exhibitions of children drawings of the boarding school from Soloneț, which is under VICTORIABANK's patronage. The drawings thematic expresses the most warm feelings and images of them.

The drawings exhibited in the Branch no.3, no. 17 and no.11 will be seen by all VICTORIABANK customers and not only, bringing everybody a little joy and warmth.

With the same occasion of children's day on the 1<sup>st</sup> of June, all of those 57 children of the boarding school from Soloneț have been given shoes. In addition, for the holiday to be sweeter VICTORIABANK branch from Soroca offered ice-cream to them.

According to those mentioned by the director of the subsidiary No. 17, Mr. Victor Sandu, "we are glad to be the host for a small museum of drawings made by children, through which we can see the children's creativeness and warmth who need a lot of moral and financial support. Through this project, we want these children to fulfill their desire of being heard and discovered."

This event comes after two months after VICTORIABANK supported children coming from socially vulnerable families when buying hand made Martitshors at a social center from Cahul district.

The Bank is involved in several projects to support the young generation from high schools or institutions of higher education, about which you can learn more by visiting the Victoriabank site - [www.victoriabank.md](http://www.victoriabank.md)

## **VICTORIABANK launched a promotional deposit for Easter**

Kishinev. March 26. On Wednesday, March 26, VICTORIABANK launches "The Easter" deposit. This deposit has been developed specially for holy Easter celebrating and provides high rates on short terms. Promotional offer is valid only till May 5, 2008.

"The Easter" deposit can be opened in lei, as well as in USD and Euro currencies, the depositing period being of 3, 6 and 12 months. The minimum amount necessary for the opening deposit is 1000

Lei, 1000 U.S dollars or 500 Euros. The income gained from such a deposit is quite attractive, especially considering that the annual deposit rate reaches up to 18.5% for deposits in lei, 11.0% for deposits in U.S. dollars and 10.0% annually for deposits in euro. In addition to the competitive rates offered to customers, VICTORIABANK also comes with other benefits of "the Easter" deposit. The individuals who will open such a deposit will be given the opportunity to open, at their discretion, a current account or a credit account to which they will transfer the monthly rate associated with the deposit. It is important to note that if the customer is connected to the Personal Bank system he/she may perform from anywhere in the world operations like -- currency conversion, supplying credit card account, payments to customers who are also served by VICTORIABANK, payment of public utilities. Those who want to transfer their rate into the card account may require the operator to issue them a bank card. We remind you that this year VICTORIABANK has already launched two new deposits – the Optim and Premium deposits. Additional information about the new "Easter" promotional deposit and other deposits can be found on our web site - [www.victoriabank.md](http://www.victoriabank.md).
