

VICTORIABANK is continuing its expansion in Kishinev

VICTORIABANK opened the doors of a new representative office in Kishinev, which is located in the Botanica sector of the capital, at the following address: 108 Burebista str.

The Representative office № 26 is located in a residential district, so that people living in the neighborhood will benefit from modern banking services. The strategic and convenient placement of VICTORIABANK new representative office as well as the wide range of banking products and services will allow not only attracting new customers but also

to be closer to its current customers. The new representative office is rendering the following services to individuals: various types of deposits, including deposits Formidabil and Progressive, various types of cards, payment of public utilities services and the service of remote supplying of the deposit, money transfers through Blizko, Migom, Contact, MoneyGram Interexpres, Trans World systems and the remote servicing service Personal.Bank.

The new representative office as well as the rest of VICTORIABANK subsidiaries and representative offices has a team of competent and qualified specialists able to meet the requirements of each customer.

VICTORIABANK is using in its activity new informational technologies and is ensuring its customers a high qualitative service and the professionalism of the entire team of VICTORIABANK is ensuring the customers a high and stable income.

Besides the representative office № 26 newly opened in Kishinev, VICTORIABANK plans to open a row of subsidiaries and representative offices. VICTORIABANK's target for the year 2007, to extend the network of subsidiaries and representative offices by 45% will be achieved in the nearest time. It is a performance if taking in to consideration that in 2006 VICTORIABANK has expanded its network with only 25%.

The network expansion program of VICTORIABANK will bring modern banking services and products to all inhabitants of Straseni, Calarasi, Stefan-Voda, Falesti, with the opening of VICTORIABANK new subsidiaries and representative offices in these regions.
