\* Bonus on interest: Bank will pay a DOUBLE INTEREST for depositor's birthday.

In case of early termination of the deposit in the first 12 months the rate will be 0%, after 12 months the rate is paid in proportion of 50% from the rate established in the contract.

The deposit can be open on behalf of a minor up to 14 years old by one of the parents or legal representative.

The maximum deposit ceiling will not exceed 1 million MDL or 50 thousand USD/EUR.

## Notes:

- 1) Operations related to deposit opening, additional payments, withdrawals, including partial withdrawals of money in/ from the deposit, are carried out through current account of depositor.
- 2) Opening a deposit account is free of charge and is based on identity card. In case of opening by authorized person, ID of authorized person, notarized copy of depositor's ID and the power of attorney or mandate contract in original or notarized certified copy shall be presented.
- 3) Upon client's request the deposit is automatically prolonged under the conditions offered by the bank for the same type of deposit. If the expired deposit type is not available at time of reconstitution, it will be prolonged to an existing \*Deposit under standard conditions at the closest but shorter term than previous deposit term.
- 4) Upon client's request the deposit VB Kid is automatically prolonged to \*Deposit under standard conditions at 60 months.
- 5 For all the above deposit types, if they are being closed before maturity date, in the first month from the starting date, the bank will retain a commission of 1% from the deposit's amount on the day of termination, minimum 50 MDL/ 5 USD/EUR/RON 500 RUB.
- 6) When withdrawing cash from the deposit in other day than due date (or the first working day if the due date is not working) the bank charges a commission of 1% min. 10 MDL/ 5 USD/EUR. The same fee is charged for withdrawing cash from interest paid on a day other than due date.

## Sample of interest calculation:
